How to Look Your Best for a Portrait Session

Come up with ideas for your session!
(1 month before session)

Kick up / start your skin care routine (3
weeks before session) *no new
products*

Start Maintance (Fill lashes, color hair,
get eyebrows waxed) (2-1 1/2 weeks
before session)

Pick outfits + accesories (send to
photographer) (1 week before shoot)

Get Nails & Toes Done (Day before
Session)

Teeth Whitening strips are awesome!
(night before your session)
